IDEAL PROTEIN

Health Profile

Date: _____

Dietary consultation involves a health profile. The purpose of the health profile is not to establish a diagnosis, but rather to determine a client's health status in order to guide his or her weight loss plan. A client may be advised to seek medical advice based on his or her health profile.

Confirmation of full health status disclosure by the client and agreement to arbitrate disputes

I confirm that the information that I have provided to my Ideal Protein™ Protocol service provider (the "**Clinic**") and that is recorded by me on this Ideal Protein™ Health Profile is true, complete, and accurate and that I have not withheld or otherwise omitted, whether in whole or in part, any information concerning my health status. In this respect, I confirm that I have disclosed all past and present i) physical and/or mental health problems or concerns that I have experienced, ii) diagnoses and/or surgeries that I have had, and iii) medications and supplements that were prescribed to me or that I have taken.

Without limitation to the foregoing, I specifically confirm that I do not have any of the **conditions** and that I am not taking any of the **medications specifically highlighted in purple / identified as NPC or NPA on this form.** Furthermore, I understand that I should not be undertaking or otherwise following the Ideal Protein™ Protocol if I have any of the said conditions or if I am currently taking any of the said medications unless i) I specifically consult with a medical doctor concerning my suitability to go on the Ideal Protein™ Protocol, ii) remain under the supervision of said medical doctor while I am on the Ideal Protein™ Protocol, and iii) provide documentation confirming the foregoing.

I understand that if i) I have any of the aforementioned conditions or if I am currently taking any of the aforementioned medication, ii) have not disclosed same to the Clinic and iii) nevertheless chose to follow on the Ideal Protein™ Protocol without specific supervision, such decision will be completely voluntary, and I, for myself and my successors, release and discharge the Clinic as well as IPC of America Inc., their parent companies, subsidiaries, and affiliates and each of their respective shareholders, directors, employees, agents, representatives, successors, and assigns (collectively, the "**Releasees**") from any and all damages, liability, claims, and causes of action of any nature whatsoever (including for injury, illness, or death) that may result from such voluntary and informed decision of following the Ideal Protein™ Protocol.

I confirm that the Ideal Protein™ Protocol has been explained to me, that I have had the opportunity to ask questions relating to the Ideal Protein™ Protocol, that I have been provided with the answers to such questions, and that I understand the importance of strictly following the Ideal Protein™ Protocol as explained to me verbally and in the materials provided to me, both before and during the period I will be following the Ideal Protein™ Protocol.

Without limitation to the foregoing, I confirm that I have been advised that because the Ideal Protein™ Protocol limits the ingestion of certain foods, it is important that I consume the recommended vitamins and minerals while I am on the Ideal Protein™ Protocol.

I undertake to disclose immediately to the Clinic any and all changes in my health status, discomfort, symptoms, or other health concerns that I may experience while I am following the Ideal Protein™ Protocol.

I specifically agree that all claims against any of the Releasees that I may have or choose to make shall only be submitted to binding arbitration under the rules of the Arbitration Act or similar statute of my state of residence, and I waive any rights to pursue any claims or causes of action in any court of law.
